

## Product Categories

CATEGORY	CAPABILITY
Mechanical Anchors	Wedge, sleeve, drop-in, stud anchors
Chemical Anchors	Studs & accessories to specification
Threaded Rods	Standard & project-specific
Bolts	Hex, special geometry
Nuts	Hex, special forms
Washers	Flat, special
Stone / Façade Fixings	Cladding clamps, assemblies
Project-Specific Assemblies	To drawing

## Material Grades

MATERIAL	GRADES SUPPORTED
Carbon Steel	As specified
Stainless Steel	304 / 316
Brass	Various compositions
Other Grades	Subject to specification

## Surface Finishes & Coatings

FINISH TYPE	AVAILABILITY
Zinc Plated	White / Yellow
Hot-Dip Galvanised	✓
Electro-Galvanised	✓
Black Finish	✓
Passivation	✓
Special Coatings	To specification

## Manufacturing Processes

PROCESS	CAPABILITY
Cold Forging / Heading	✓
Thread Rolling	✓
CNC Machining	For special parts
Heat Treatment	Controlled
Plating / Finishing	Approved partners
Assembly / Kitting	✓

## Standards & Norms

STANDARDS	SUPPORTED
DIN	✓
ISO Product Standards	✓
ASTM	✓
EN	✓
BS	✓
IS	✓

(As required by project or destination market.)

## Testing & Inspection

TEST TYPE	ROUTINE / AS SPECIFIED
Dimensional Inspection	✓
Tensile / Proof Load	✓
Torque Testing	✓
Hardness	✓
Salt Spray	As required
Chemical Analysis	Certified labs

## Packaging & Export Formats

FORMAT	SUPPORTED
Loose Cartons	✓
Palletised Loads	✓
Branded Cartons	✓
Barcode Labelling	✓
Container Load Plans	✓
Private Label	✓

## Export Supply Models

MODEL	SUPPORTED
EPC Projects	✓
Distributor Networks	✓
OEM / Private Label	✓
Tender Supply	✓
Framework Agreements	✓

## Traceability & Documentation

DOCUMENTATION	AVAILABLE
Batch Traceability	✓
Heat Number Tracking	✓
Inspection Reports	✓
EN 10204 3.1 MTC	✓
Packing Lists	✓
Export Documents	✓
